DATED 2 — 10 — 35

13

[Despatch Abstract.]

Establishment- Medical Institutions E.F.C. Md — S. Kanara Dt- Appointment of L.F. Asst- surgeon to certain institutions

28528 Z. Sta'

Sea View,

Ullal, 1.9.35.

Rao Bahadur,

I have received my last letter, and am glad that orders have since been received from Government relaxing the [illegible] of 10 years & the [illegible] the same time, there seems to be very slight hope that Government may issue separate orders with regard to the Medical Institutions at Beem-bal, Mulki, Hosanagar and Bajpe.

2. If the presumption is correct, it may not be out of place to state that para 3 of G.O. No. 2403 P.W. 15th Oct. 1934 directed that incumbents of the

Existing posts shall be appointed to similar posts carrying the same scale of pay sanctioned in para. 2 of the said f.o.

3. Coupling the present note in para 4 of f.o. 2139 P.W. 18.8.35 with the direction given in para. 3 of f.o. No. 2403 P.W. 15.10.35, it seems that the medical institutions at Bunder, Karachi at least which are the only two L. F. Hospitals in the D.F. will be retained as such. The medical officers of these two Hospitals are medical graduates – K. Amirtharaj and Mr. Chandra and they could, if Govt are pleased, be permitted to draw the scale of pay fixed for Asst Surgeons. These two officers count a service of 10 & 8½ yrs (and)

the other two Medical graduates
as Mr Harding & Bynder (Dispensaries)
have not even half that service.
I believe that it is not the intention
of Govt to degrade the two Medical gra-
duates mentioned, into Sub Assist
Surgeons. I am not sure whether there
are any such institutions in the
Mofussil parts of the Presidency where
L. M. Hospitals were in charge of
such Senior Medical graduates. Even
if they were, they will be few and
to recognise them as Asst Surgeons
is not a great thing for Govt
which will not be affected much
from a financial point of view.

Perhaps, I am claiming too
much indulgence from you. This

cannot be helped. If you think that
it is a cry in the wilderness, I shall
not be sorry. You know that I hope
things eternal in human breasts.

Trust you are well -

Ever yours sincerely

H Lawrence

(Medical)
may I have a note on this?

S.D.

8/9/35

4/9.

My dear Diwan Bahadur,

I am commanded to state that the appointment of Medical officers in charge of Municipal institutions at Hoskote, Municipal Hospital, Bowring Hospital and Bowring Maternity Hospital, Bangalore, as Assistant Surgeons and their drawing salaries fixed by the Council by Board. Will you please see approved by me while I was President.

I request your reference to G.O. No Mis 2139 P.H. L.S.G. Dated 19th August 35 and the order No. R 673-E Dated 21st August 35 of the Surgeon-General. The Town officers are very hard hit for want of funds. I earnestly request that you may kindly call for the papers and render justice. No doubt it is a precedency question. When it is a question

If justice to innocent individuals
must point may not be raised. If necessary
others in their districts & who are in
the same position may be helped.
Excuse liberty taken. I feel for those
officers and I know the best thing is
to do. The matter before you for such
action as you deem fit under the
circumstances. The Board has insisted
in their favour.

Wishing you success & prosperity.

Yours sincerely
[illegible]

D.O. dated

Please see the D.O. no. [illegible] of 1-6 above. The question relates to the grade of the medical officers in charge of the local fund medical institutions at Bantwal, Mulki, Hadinj and Baindur in the S. Kanara District.

2. In connection with fixing the scheme of the medical establishment in medical institutions in the S. Kanara District the P.D.O. suggested that the medical officers in charge of the institutions referred to above should be declared as local fund Assistant ~~Surgeons~~ Surgeons. The proposal was not supported by the S.G. who was of opinion that the grade of the officers should be local fund Sub-Asst. Surgeon. It was pointed out in that connection that if the proposal to raise the grade of these officers was approved the Govt. would have to meet additional expenditure and that Govt. would have to pay contribution at 22½ per cent instead of 10 per cent as at present.

The grade of the Officers was accordingly fixed as that of Assistant Surgeon.

The Officers concerned also memorialized the Govt. on the subject and their request was again examined. Attention is in this connection invited to the notes on pages 49 – 52 of Govt No 2186 Pub dated 21. 8. 35. It was thought that the grant of their request would form a very inconvenient precedent and that the financial position of the Dist Bd did not justify its incurring additional expenditure on this account. The request was therefore refused. vide Govt No 2186 Pub dated 21. 8. 35.

It may be mentioned in this connection that the Officers concerned do not at present suffer any reduction in their emoluments consequent on the fixing of their grades, as they are being granted personal pay equivalent to the difference between the pay they were actually drawing and the pay to which they are eligible under the new Scale.

The Question of treating
the medical officers in charge
of Sanitoria as
Asst Gen Surgeons or as
Lt Colonels Surgeons
has Considered. The S. S.
has repeated his opinion
that these institutions
did not require officers
of the grade of Lieut
Col Surgeons; please
see S. S.'s letter (1) p10 of Eo 10/16
at page noted in the (2) p30 of Do
margin. (3) p40 of Eo 21/21/8/35

This question was first
Considered in Eo No
103 P. H. 16 Jany 1931;
please see my note at p. 86
ante. [illegible]

The question was again
Considered in Co. 2186 P.A
V.R. & I.G., and after
thoroughly examining the
Journal book
of the D.P.O., and obtaining
a report from the S.S.,
the previous orders were
Confirmed.

The Medical Officers
Concerned do not consider
any loss in emoluments,
since the difference between
the Maximum of the
Salary of Pay of V.C.O's
and their present pay
has been granted as
